INSTRUCTIONS

1) Choose item(s) you want and write on order form, along with the artwork/photo number you want on that item. *(The Greene Arc logo will be added somewhere on ALL items. You can specify location, if desired—see example at right*)* You may mix and match artwork/backgrounds (where that will work) on the item you choose. For example: a photo background with wording on top would work.

3) Greene Arc staff may customize with name and/or title *(see space provided for customization).* Some of the artwork already says it's customizable. Add your own text or background.

4) Total your order and send (or drop off) order form and check payable to:
